WEEKLY REPORT OF ENVIRONMENTAL DOCUMENTS AVAILABLE FOR REVIEW

The purpose of the environmental review process is to provide information about the environmental effects of the actions and decisions made by the County, so that environmental considerations become a part of the decision making process. The following is a summary of the most recent determinations made by the County's Environmental Coordinator. The purpose of this listing is to notify the public of pending actions, which may affect the environment of San Luis Obispo County.

You are invited to participate in this process by reviewing and providing comments on the recommendations of the Environmental Coordinator. Your comments should be in writing and should be delivered to: **Ellen Carroll, Environmental Coordinator, Department of Planning and Building, 976 Osos Street, Room 300, San Luis Obispo, Ca 93408-2040.** For more information about the environmental review process, please write to the address above, call the Environmental Division of the Department of Planning and Building at (805) 781-5600, or review information on our website which is www.sloplanning.org.

Proposed Negative Declarations

A Negative Declaration is issued for projects that would not result in significant effects on the environment. In many cases, the project applicant has added mitigation measures to the project to reduce environmental impacts in order to qualify for a Negative Declaration. If you disagree with the issuance of a proposed Negative Declaration, you may provide comments or file a Request for Review (appeal) of the Negative Declaration. Requests for Review must be filed within two weeks of the date that the proposed Negative Declaration is posted and must address only environmental issues. There is a fee for the request. If you would like more information about this process, please contact the Environmental Coordinator.

For Week of May 28, 2009

San Luis Obispo Area

Wood Minor Use Permit. Request by Craig and Sheri Wood to allow the establishment of a wine processing facility with an estimated case production of 5,000 cases annually. The project will include the conversion of two existing agricultural buildings of 3,500 square feet and 3,000 square feet each into wine processing and barrel storage and construction of two additional 3,000 square foot barrel storage buildings and a 1,500 square foot covered crush pad. There is no public wine tasting or special events proposed. The project will result in the disturbance of approximately 12,000 square feet on a 63.2 acre parcel. The proposed project is within the Agriculture land use category and is located at 555 El Camino Real (Highway 101) south of the Cuesta Grade, approximately 0.5 mile north of Reservoir Canyon Road, north of the City of San Luis Obispo. The site is in the Salinas River planning area. ED07-228 (DRC2007-00029)
